

## Continental Breakfast

Coast residents are invited to breakfast on Wednesday, November 18 from 8:30-9:30 am at the Coast Community

Room for a delicious continental breakfast! Nosh on bagels, muffins, danishes, coffee and juice. Simply grab your breakfast on your way out and enjoy.

## Renters Insurance

Most renters do not realize what they have to lose, whether it's personal belongings or financial loss due to liability. If you don't already have renters insurance, you may question its importance and the coverage it provides. You'll be surprised to learn just how much you risk without proper insurance for both your personal liability and personal belongings. Renters insurance, which is available from most insurance companies, is affordable and provides you a valuable peace of mind.

## Pet Policy Reminder

As a reminder, please comply with the University of California, San Diego Associated Residential

Community Housing pet policies listed below. For more information please refer to your Coast Apartment Handbook and Rental Agreement. If you have any additional questions please contact the Management Office at 858-822-7607.

No animal, except caged birds, fish or cats shall be kept on premises without prior written consent of the University, including but not limited to the pets of visitors.

All pets must be kept inside the apartment at all times except when on a leash and under the control of a responsible person.

All pet owners are responsible for ensuring that their animals do not harm or endanger the health or safety of other residents.

## Contact Information

Please keep in mind that we always need a way to get a hold of residents. It is very important in case of an emergency. We so rarely need to contact our residents at Coast that when we do, a majority of the time, we find that the contact information is expired. If you have changed your phone numbers or email addresses since moving into Coast, please email us your Building/Apartment number and new contact information. Thank you!

## Office Closures
