

## pie & pong

Do you like pumpkin pie? Do you also enjoy ping pong? If you said yes to

either of those questions, then you won't want to miss this month's event! Join Erica and Andrew for a ping pong tournament that will be very nicely complimented by the iconic pie of the season. There will also be hot dogs grilling in the courtyard, so don't worry that your meal will consist solely of delicious pie and whipped cream... although that doesn't sound too bad! The fun will be in the Bates lounge and the courtyard at 5pm on Friday the 20th, so we look forward to seeing you there!

## crime watch

No community is perfect when it comes to crime, so it is always a good

idea to be vigilante and think about your possessions. At Universities the most common thefts are of bikes and school related items like books, computers, and personal bags. When you are locking up your bike, try your best to find a well lit area that is easily monitored by yourself or by others. It is also highly recommended to have your bike registered, which can be done for \$6 at the Bike Shop located in Student Center A. When you leave your possessions some place, like in a car or a classroom, put them out of sight or have someone watch them for you. Also always remember to lock your car or apartment when you are leaving it. As always, if you ever notice anything suspicious or have a theft to report, contact the campus police at 858.534.HELP(4357).
